

The day started in the rain

This was the main area which suffered from flooding.

Window and roof repairs to the shed

McDONALD
SOLD

5 tons of soil to shift from the carpark and spread out

Tea break

This area had a lot of slopes which we hope to level

Another tea break

The 'Fylde Malet' reenforced solid steel shell and 9 sq inch face of untreated oak weighs in at 25 lbs

Yet another tea break
